KAREN DEES SELF SUFFICIENCY AND EMERGENCY TRANSPORTATION FUNDS

The Domestic Violence Network administers the Karen Dees' Self Sufficiency Fund and Emergency Transportation Fund. These funds are designed to assist a victim of domestic violence to achieve self-sufficiency through rental assistance, matching funds for purchases of cars, attorneys fees related to domestic violence, repair of credit or alleviating other barriers that could prohibit self-sufficiency. In 2014, DVN served 187 individuals with an average of $394 per person.

KAREN DEES SELF SUFFICIENCY FUND:
SERVED 187 INDIVIDUALS WITH AN AVERAGE OF $394 PER PERSON.

THE EMERGENCY TRANSPORTATION FUND:
ASSISTED 254 INDIVIDUALS WITH AN AVERAGE OF $98 SPENT PER PERSON.

The Emergency Transportation Fund assists victims in obtaining transportation to flee a violent relationship, including relocation to a safe place. In 2014, DVN assisted 254 individuals with an average of $98 spent per person.
IMPACT STATEMENTS FROM CLIENTS RECEIVING FUNDING

“The funding I received helped me to pay my June 2014 rent. I was able to pay my utility bills and car payment with what I earned that month. This helped avoid disconnections of my utilities, paying late fees, and reconnection fees.

I was also able to be up to date with my car payment. The assistance I received has helped me get back on track with my bills bringing all bills up to date and now I am able to focus on paying bills that are current. I am also saving money by not paying late fees on these bills. Without the assistance I received, I could have been evicted from the place I live now and my vehicle would have been repossessed making it difficult for me to get to and from work and subsequently costing me lots of money in court fees and moving out of the house.”

“I AM SO GRATEFUL FOR THE ABILITY TO NOT WORRY ABOUT HOW I WILL MAKE IT TO WORK THIS MONTH.”

“This bus pass eliminated my stress and biggest barrier to having new employment. I am so grateful for the ability to not worry about how I will make it to work this month.”
A NIGHT WITH THE NETWORK

The Domestic Violence Network hosted A Night with the Network at the Indianapolis Art Museum on October 4, 2014. Over 220 guests enjoyed wine and craft beer tasting, cigars paired with bourbon and food samplings from local area restaurants. DVN, in partnership with the Department of Public Safety, presented several awards for excellence in intervention and prevention efforts. Congratulations to
